Supper is available to all Full Boarders, Weekly Boarders and Flexi-Boarders when boarding overnight at the school.

There are occasions when the school requires Day children to remain at school for specific events as time does not allow for children to return home for supper before the event. On these occasions supper will be provided to all children involved in the event at no extra charge. The staff member organising the event must provide a list of these children’s names to the Catering Manager at least 24 hours in advance. These events are as directed by the Head Master and include:

- School Play (in the Michaelmas Term - normally 2-4 nights)

In the case of other events or activities, it will be expected that children will have time to go home at the end of the day, have their meal and return to school. Any children wishing to stay for supper MUST book in by 10am at the School Office on the day of the event at the absolute latest as meal provision is done to known numbers. A charge of £1.80 will be made for this meal.

If a parent wishes their child to stay for supper for any other reason, then the same booking requirement and charge will apply, although we do understand that such instances cannot always for planned for and will endeavour to be flexible with bookings on such an occasion.

Unfortunately once a supper or breakfast is booked it cannot be cancelled after 10:00 am on the day. Please remind the Office if your child is sick and you cancel for this reason.

If a parent wishes their child to stay for supper on a regular basis then please discuss the requirement with the Office.
